 Subject: BGCA.net User Experience Enhancements

As part of ongoing efforts to improve the BGCA.net user experience, beginning Friday, July 27, all users will be asked a series of brief questions when they login. In addition, we encourage you to review your profile to ensure it is correct and up-to-date. If you don't have an account, please create one.

Following is a quick overview of what to expect when you login.

<p>A pop-up window will prompt you to select security questions and answers. This will simplify and expedite the recovery process if you forget your password.</p>	 <p>The screenshot shows the BGCA.net login page. A white pop-up window is centered on the screen with the text: "Please provide security questions and take a moment to review your profile." Below the text are two input fields for questions and answers, and a "Submit" button. The background shows the login form with fields for email and password, and a "Log In" button.</p>
<p>All Club staff will gain access to over 1,000 on-demand eLearning courses by enrolling in Spillet Leadership University (SLU).</p>	 <p>The screenshot shows the BGCA.net Member Profile page. The page is titled "Member Profile" and has tabs for "Profile", "My Applications", "My Events", and "My Account". The "Profile" tab is active, showing various fields for personal information such as Name, Address, Contact Information, and Education. There are also sections for "My Applications" and "My Events".</p>
<p>To enhance our demographic understanding of SLU participants, all students will be asked to update their profiles with their Time Zone and date they entered the Movement.</p>	 <p>The screenshot shows the BGCA.net Events &amp; Deadlines page. A white pop-up window is centered on the screen with the text: "Please take a moment to review your profile and update your information including the newly added required fields. This information will assist us in adding in your skills to register for meetings and other opportunities." Below the text are two input fields for information and a "Submit" button. The background shows a dashboard with various charts and data points.</p>

Please note that you will not be able to access BGCA.net unless you complete the first two series of questions. Thank you for participating and helping to improve the user experience for our colleagues throughout the Movement.
